## How to Verify Your Address

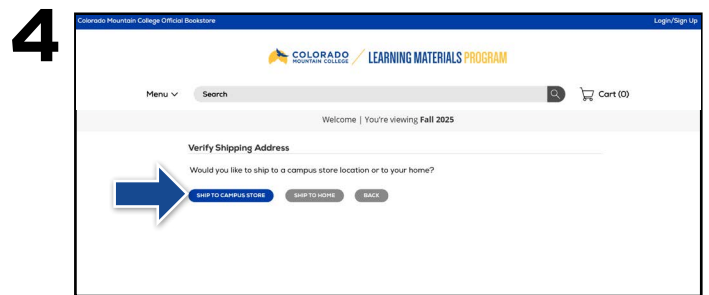

Visit [coloradomtn.ecampus.com](https://coloradomtn.ecampus.com) and select **Login/Sign Up** in the upper-right corner.

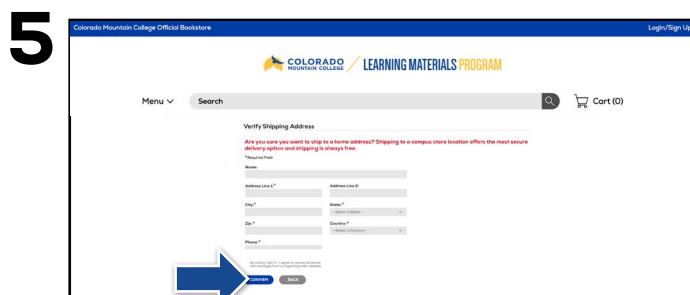

Select **Sign In via Colorado Mountain College Basecamp**. You will be redirected to sign in via Colorado Mountain College Basecamp.

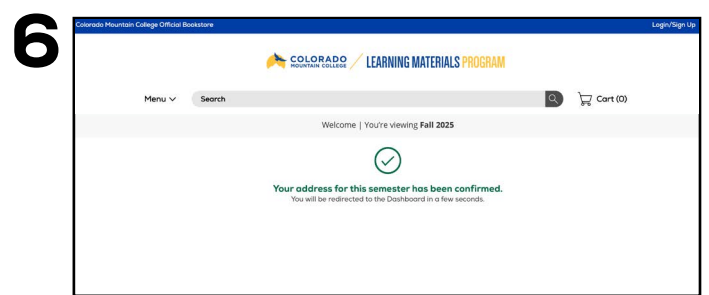

From the student dashboard, select your **term**. Select **Address Verification** in red to verify your address. If you do not see the Address Verification button, no action is required.

For the most secure delivery option, we recommend shipping course materials to campus. Select **Ship to Campus Store** to have your materials delivered to campus.

If you selected **Ship to Home** in the previous step, enter your home address and select **Confirm** to verify your address.

After verifying your address you will receive a confirmation screen indicating you have completed address verification.
